STEINWAY & SONS @ DOROTHEEN QUARTIER

Visual Display Campaign

An abstract 3D composition featuring various geometric shapes and a plant. In the upper left, there are two blue spheres, one partially cut off by the frame. A black wireframe cube is positioned in the upper center. A green fern frond stands vertically in the center. To the left of the fern is a translucent blue cube. Below the fern is a large pink circle. In the lower left, there is a pink cube and a blue cube. At the bottom center, a black ring with a white sphere inside is visible. A blue rectangular prism stands at the bottom right. The background is a light blue gradient.
